REVIEWING THE FOLLOWING GUIDELINES AND INSTRUCTIONS IS IMPORTANT TO ENSURING AN ACCURATE SUBMISSION AND TIMELY PROCESSING

The NC General Assembly has enacted a requirement (G.S. 105-251.2) for reporting by Occupational Licensing Boards in support of tax compliance and tax fraud prevention. The NC MFT Licensure Board is required to provide a report including each Licensee's name, License number, Tax Identification number (*includes Tax I.D./EIN number and/or social security number*) and Business Address. The Tax I.D. number only applies if you file taxes as a corporation instead of using your social security number.

Renewals submitted without this information will be returned which will result in delayed processing. **Include only the last 4 digits of your social security number. If your number is not on file from previous submissions to the Board, a staff person will contact you, but you must include the last 4 digits on the renewal form.**

The NC General Assembly has enacted a requirement (G.S. 143-764(a)(5), effective December 31, 2017) for reporting by Occupational Boards Employee Misclassification - businesses that improperly classify their employees as independent contractors. Refer to the Renewal Form - Page 3, Item # 8 for information on this requirement.
